How to connect your new printer to the Microlab\textsuperscript{®} 300/600.

**Required Components**

- Printer Power Cord
- Printer Power Supply
- Black HP Cartridge 96
- Color HP Cartridge 97

**Important!** Ignore all other components in the HP printer box, they are not required for assembly with the Microlab 300/600.

**Note:** Hamilton Company will not supply replacement inkjet cartridges. See your local office supply store for replacements.

- Printer Quick Start Guide
- USB Cable
- USB Adapter

**Note:** The USB adapter is only used with Microlab 600 controllers with the part number 61500-01.

**Installation**

1. Make sure the Microlab 300/600 instrument is turned off.
2. Place the USB cable into the Host USB port on the back of the controller.
3. Connect the other end of the USB cable into the printer USB port.

**Note:** When connecting the printer to a controller with the part number 61500-01, use the USB adapter between the printer USB cable and the controller.

4. Attach the power supply to the printer.
5. Attach the power cord to the power supply and plug into a wall outlet.
